

To New and Returning Swimmers!

Saint John Fundy Tide Swim Team works with children from 6-17 as well as adults promoting the benefits of sport, teamwork and physical fitness. Our swimmers represent the Greater Saint John Region at over a dozen meets each year, a number of our members have gone on to swim at the Provincial, University and National levels. Tide welcomes all swimmers and our coaches help each athlete develop at a pace that is appropriate for their ability and age.

We have practice times six days a week and this enables all swimmers, with coaches' direction, to properly plan and follow through with long-term development. Mighty Sharks, the youngest level at 6, 7 and 8 years old practice twice a week while Junior B aged swimmers, 9 to 12, can swim 3 or more times per week. Once skills and abilities permit, Coaches may move swimmers to the Junior A and Senior levels where they can swim up to 9 times a week both at early morning long course and after school sessions. New in 2012 is the introduction of a Master's category where adults can continue their love of swimming for fitness or competition.

Registration fees are set annually based on Pool costs and the number of swimmers enrolled in the club. The TIDE swim club is a non-profit organization and we rely on membership fees and fundraising to offset pool costs, coaching expenses and other costs for our competitive and non competitive swimmers. * NEW* to our fee structure is a mandatory Fundraising component where each swimmer is required to pay an upfront fee of \$25 per swimmer. Later in the season we will be conducting a SWIM-A-THON where swimmers obtain sponsors and donations. Swimmers will be able to recoup the mandatory fee off of the first \$25 they raise.

We also encourage a team spirit and appearance and are making team swimsuits available for pre-order with a small savings to members. We encourage all swimmers to ensure they have a Blue TIDE swimsuit for all our events. Our team Equipment manager will also advertise additional swim equipment you may be able to order from the team such as track suits, goggles, swim caps, etc.

Parents and adult swimmers should also become involved in officiating in order to support our team. Swim NB has a MANDATORY requirement that swim teams supply officials for swim meets and we look each year to enable club members to obtain various accreditation levels of officiating with Swim Canada. Please ensure at least one member of the swimmer's family is able to take Level I and II officials courses to help out!

We have an executive and Parents committee to help organize and conduct these operations. If you are interested in learning more about the Saint John Fundy TIDE Swim Club or volunteering for our executive or the upcoming Swim Meets, you can contact one of the representatives from our executive listed below.

With your support the TIDE will keep coming in!
